

# MAP OF POSTER SESSION

MICHIGAN LEAGUE – BALLROOM – FLOOR 2

## POSTER PRESENTATIONS

*Poster presentations will take place in the Michigan League Ballroom (floor 2).  
For poster locations, refer to the map on page 36.*

	POSTER TITLE	PRESENTER	AFFILIATION
1	Development of the System for Opioid Overdose Surveillance (S.O.S.)	Mahshid Abir	University of Michigan and RAND Corporation
2	Access to Permanent Opioid Disposal Sites in the State of Michigan	Rena Steiger	Michigan Medicine
3	Creating a Preventive Strategy to America's Opioid Epidemic: The Michigan Opioid Prescribing Engagement Network	Michael Englesbe	University of Michigan
4	Understanding Drinking among Emerging Adults using the Dualistic Model of Passion: Associations with Alcohol Consumption, Blackouts, and Overdose	Alan K. Davis	University of Michigan Addiction Center
5	The role of campus climate and sense of belonging on the use of behavioral health services by college students: A longitudinal examination of The Healthy Minds Study	Tori Negash	The Ohio State University College of Social Work
6	Alcohol and injury: applying a public health model to addressing the problem	Bridget Kool	University of Auckland
7	Understanding alcohol and drug overdose and the influence of pain conditions in an addiction treatment sample	Anne Fernandez	University of Michigan Department of Psychiatry
8	Young Men's Alcohol Consumption Profiles: Personality, Expectancies, and Friends' Pressure	Breanne Helmers	Wayne State University
9	Temperament in Emerging Adulthood, Not Adolescent Behavior Problems, Predicts Opioid Misuse in Mid-twenties	Jennifer Jester	University of Michigan Department of Psychiatry
10	Feasibility and Acceptability of Using a Mobile Phone App to Assess Substance Use among Adolescents and Emerging Adults	Meredith L. Philyaw-Kotov	University of Michigan
11	Violence & Injury Prevention Program and Injury Control Research Center as Consummate Partners: The West Virginia Experience	Kelly K. Gurka	The University of Florida
12	Leveraging CDC Partnerships to Address the Opioid Epidemic: State Health Department and Injury Control Research Center Collaborations	Grant Baldwin	Centers for Disease Control and Prevention
13	Leveraging CDC Partnerships to Address the Opioid Epidemic: State Health Department and Injury Control Research Center Collaborations	Anne Esdale	Michigan Department of Health and Human Services
14	Alcoholism Screening and Counseling in Trauma Patients Seen at Physician Offices in the United States (US)	Junaid Bhatti	Sunnybrook Research Institute

## POSTER PRESENTATIONS

	POSTER TITLE	PRESENTER	AFFILIATION
15	Association of smoking with narcotic overdose death following trauma injury admission	Christina Greene	University of Maryland, Baltimore
16	Simulation-Based Evaluation of Interventions to Reduce Hepatitis C Virus Incidence and Prevalence among Young Persons who Inject Drugs in Michigan	Rachel Gicquelais	University of Michigan School of Public Health
17	Overdose Harm Reduction Knowledge among Persons in Residential Treatment for Substance Use Disorders	Rachel Gicquelais	University of Michigan School of Public Health
18	The Prescription Opioid Safety Trial (POST) for Veterans with Chronic Pain	Haylie Stewart	Ann Arbor VA, Center For Clinical Management Research
19	Use of the Veterans Crisis Line Among High-Risk Patients: Does Relationship Status Make a Difference?	Haylie Stewart	Ann Arbor VA, Center For Clinical Management Research
20	The Healthy Flint Research Coordinating Center: A Community Driven Academic Response to the Flint Water Crisis	Kaneesha Wallace	Healthy Flint Research Coordinating Center—U-M Ann Arbor
21	Multiscale Analyses of Violent Crime and Neighborhood Alcohol Environments	Christina Mair	University of Pittsburgh Graduate School of Public Health, Department of Behavioral and Community Health Sciences
22	Sex differences in the association between video gaming and violence among urban youth	Jason Goldstick	University of Michigan Injury Center
23	More Than Just Keeping Busy: The Protective Effects of Organized Activity Participation on Substance Use and Violent Behavior Among Urban Youth	Andria Eisman	University of Michigan School of Public Health
24	Patients Demographics and Predictors of Violence: A 5-year Experience of a level 1 trauma center	Ayman El-Menyar	Westchester Medical Center
25	Law Enforcement Agencies' and Gun Retailers' Roles in Gun Storage for Suicide Prevention	Carol Runyan	Colorado School of Public Health
26	Rates of Violence and Substance Use among a High-Risk Sample During the Flint Water Crisis (FWC): Results from the Flint Youth Injury Study	Patrick Carter	University of Michigan Injury Center
27	Daily Patterns of Violence and Associated Substance Use Among a High-risk Urban Sample	Patrick Carter	University of Michigan Injury Center
28	Religiousness and Suicide Prevention in Secular Societies: An Analysis of 162 European Regions	Steven Stack	Wayne State University
29	Religious Activities and Suicide Prevention: A Gender Specific Analysis of 17,055 Deaths	Steven Stack	Wayne State University
30	Does family support moderate the positive effects of hope on suicide risk?: A test of a model in Hungarian college students	Abigaël Lucas	University of Michigan
31	Mindfulness as a Protective Factor Against Suicidal Ideation in Emerging Adults	Lisa Zbizek-Nulph	University of Michigan

## POSTER PRESENTATIONS

	POSTER TITLE	PRESENTER	AFFILIATION
32	Epidemiology of asphyxiation suicides in the United States	Rebecca K Yau	Prevention Research Center
33	Catastrophic Cheerleading Injuries in the United States	Rebecca Yau	Prevention Research Center, University of California, Berkeley
34	Detailed Case Investigations of Fatal and Severe Non-Fatal Sports-Related Traumatic Injuries, 2013-2016	Catherine Wolff	University of North Carolina at Chapel Hill
35	Sex Differences in Ankle Sprain Treatments in Secondary School Student-Athletes	Erin Wasserman	Datalys Center for Sports Injury Research and Prevention
36	Using Peer Communicated Norms About Safety to Reduce Injury-Risk Behaviors by Children	Mackenzie Seasons	University of Guelph
37	Farm Drowning Deaths in Canada	Don Voaklander	School of Public Health, University of Alberta
38	Investigating Pediatric Falls Ages 0-4 in Georgia	Sharon Nieb	Injury Prevention Research Center at Emory
39	Preventing fall injuries among elderly in residential care facilities with impact absorbing flooring	Johanna Gustavsson	Karlstads University
40	Identifying the social-cognitive factors that predict parental home safety as infants become increasingly mobile	Katherine McAuley	University of Guelph
41	'Supervising for Home Safety' Program: A Randomized Controlled Trial Testing Community-Based Group Delivery	Barbara Morrongiello	University of Guelph
42	Reducing Unintentional Child Injuries: Pilot Test of a Home-Based Behavioral Training Program	Amy Damashek	Western Michigan University
43	Children's Understanding of No Diving Warning Signs: Implications for Preventing Childhood Injuries	Amanda Cox	University of Guelph
44	Self administered Checklists are useful to reduce home hazards and fear of falling in older women. A prospective cohort study	Ove Schroeder	Department of Orthopedic and Trauma Surgery, University Medical Center Schleswig-Holstein
45	Epidemiology of Work-related Falls	Christina Socias-Morales	Centers for Disease Control and Prevention (CDC)
46	Pediatric injuries resulting from television/tv trolley and other furniture and appliance tip-overs seen in an urban emergency department in Karachi, Pakistan	Rubaba Naeem	Aga Khan University Hospital
47	The Landscape of School-based Violence in Pennsylvania	Kalen Flynn	University of Pennsylvania
48	The Role of Relationship Proximity to Witnessed Community Violence and Youth Outcomes	Traci Kennedy	University of Pittsburgh
49	Childhood ADHD as a Risk Factor for Violence Victimization in Adulthood	Traci Kennedy	University of Pittsburgh

## POSTER PRESENTATIONS

POSTER TITLE	PRESENTER	AFFILIATION
<b>50</b> Violence against Older Adults: Perpetrators and Mechanisms of Geriatric Physical Assault Injuries Treated in US Emergency Departments, 2006-2014	Tony Rosen	Division of Emergency Medicine, Weill Cornell Medical College
<b>51</b> Generating socioculturally relevant strategies to prevent intimate partner violence through theater	Mieko Yoshihama	University of Michigan
<b>52</b> Preventing Gender-based Violence in the Wake of Major Disaster	Mieko Yoshihama	University of Michigan
<b>53</b> Fathers who perpetrate physical and technology-delivered intimate partner violence: prevalence and correlates among a nationally-representative sample	Vijay Singh	University of Michigan Injury Center, Department of Emergency Medicine, Family Medicine
<b>54</b> Intimate partner violence victimization and perpetration prevalence and correlates among men in primary care settings	Vijay Singh	University of Michigan Injury Center, Departments of Emergency Medicine, Family Medicine
<b>55</b> Sexual Violence Perpetration among Emerging Adults: Event-Based Findings from a National Sample	Penny N. Warmanen	University of Michigan
<b>56</b> A Plan for Evaluating Program Success: Using Evaluation Science to Track Outcomes and Address Research Priorities in Injury Prevention	Jeffrey Gordon	Centers for Disease Control and Prevention
<b>57</b> Original Research	April Zeoli	Michigan State University
<b>58</b> Dispossessing firearms from domestic violence perpetrators: Does it matter for workplace intimate partner homicides?	Mitchell Doucette	Johns Hopkins Bloomberg School of Public Health
<b>59</b> Evaluating the Effectiveness of Batterer Intervention Programs through Meta-Analysis: Criticisms and Recommendations	Sonia Zawitkowski	Center for Addictions and Mental Health
<b>60</b> Emotional Reactions to Conducting Violence Research	Stella Resko	Wayne State University School of Social Work & Merrill Palmer Skillman Institute
<b>61</b> Relationship between interpersonal violence victimization and suicide risk in Indian college students: Does prior exposure also matter?	Casey Batterbee	University of Michigan
<b>62</b> Prevalence of and Barriers to Disclosing Sexual Violence Victimization to Healthcare Providers	Laura M. Dent	University of Michigan
<b>63</b> Costs of Interpersonal Violence in the United States	Ted Miller	Pacific Institute for Research and Evaluation
<b>64</b> Development and Pilot Testing of a Remote Therapy Intervention for Aggression and Alcohol Use Among Adolescents in the Emergency Department	Jessica Roche	University of Michigan Injury Center
<b>65</b> SafERteens 2.0: Translation and Implementation of a Violence Prevention Intervention into Emergency Department Standard Care	Jessica Roche	University of Michigan Injury Center
<b>66</b> Identifying Practice-Based Prevention Strategies through the Systematic Screening and Assessment Method	Linda Vo	CDC

## POSTER PRESENTATIONS

POSTER TITLE	PRESENTER	AFFILIATION
<b>67</b> Negative Life Events and Sexual Assault Victimization as Predictors of Psychological Functioning in Female College Students: Does One Matter More Than the Other?	Jerin Lee	University of Michigan
<b>68</b> Evaluating a brief campus sexual assault prevention program for first-year college students	Erin E. Bonar	University of Michigan
<b>69</b> Intentional Maltreatment Injury Identification: From body to mind and context	Jessica P. Flores	The University of British Columbia
<b>70</b> Field Assessment of Safe Sleep Instrument Using Smartphone Technology	Rosemary Nabaweesi	University of Arkansas for Medical Sciences
<b>71</b> Examining geospatial distribution of community factors relating to child maltreatment	Amanda Barczyk	Dell Children's Trauma and Injury Research Center
<b>72</b> Evaluating Effectiveness of Intimate Partner Violence Education in Clinical Clerkships	Jenny Truong	Oakland University William Beaumont School of Medicine
<b>73</b> Understanding the Role of The Hotline/LIR in providing safety, resources and emotional support to Callers	Karen McDonnell	The George Washington University
<b>74</b> Constructive and Destructive Interparental Conflict and Intimate Partner Violence as Predictors of Emotional Insecurity and Behavior Problems among Vulnerable Families with Young Children	Joyce Lee	University of Michigan
<b>75</b> Bicycle-related injuries among children treated in US emergency departments, 2006-2015	Katherine Swidarski	Center for Injury Research and Policy, The Research Institute at Nationwide Children's Hospital and Division of Health Behavior and Health Promotion, The Ohio State University, College of Public Health
<b>76</b> Attention, Distraction, and Crashes: Working memory and texting while driving predict crashes in young novice drivers	Elizabeth A. Walshe	Annenberg Public Policy Center, University of Pennsylvania; Children's Hospital of Philadelphia
<b>77</b> Let's Choose Ourselves: Estimating Effects in a Driving Simulator on Adolescent Driver Inattention	Catherine McDonald	University of Pennsylvania
<b>78</b> A scoping review of the evidence for Health System and Law Enforcement Collaboration in Injury Surveillance, Control and Prevention	Sara Jacoby	University of Pennsylvania
<b>79</b> The association between rehabilitation services and health outcomes: A retrospective analysis of traumatic brain injuries (TBI) in Riyadh, Saudi Arabia	Suliman Alghnam	King Abdulah International Medical Research Center (KAIMRC)
<b>80</b> Racial Disparities in Pedestrian Deaths in the United States, 1999-2015	Elinore J. Kaufman	New York-Presbyterian Weill Cornell Medicine
<b>81</b> Helmet Smart at Head Start: Using an Interactive and Asynchronous Helmet Safety Education Initiative to Promote Behavior Change Among Head Start Children	Wendi-Jo Wendt	University of Michigan
<b>82</b> Analysis of Injury Deaths in the White Mountain Apache Tribe to inform an injury prevention needs assessment	Wendy Shields	Johns Hopkins Center for Injury Research and Policy

## POSTER PRESENTATIONS

POSTER TITLE	PRESENTER	AFFILIATION
<b>83</b> Unintentional Injuries in Native American Reservation Communities: Problems and Solutions	Wendy Shields	Johns Hopkins Center for Injury Research and Policy
<b>84</b> A Systematic Literature Review of Injury Prevention Projects Conducted through the IHS Injury Prevention Fellowship Program	Wendy Shields	Johns Hopkins Center for Injury Research and Policy
<b>85</b> Safety In Seconds 2.0: Results from a multi-site, randomized trial of a smartphone app to improve fire safety behaviors	Wendy Shields	Johns Hopkins Center for Injury Research and Policy
<b>86</b> Association of Post-Traumatic Stress Disorder with Work Performance amongst Emergency Medical Service Personnel, Karachi, Pakistan	Salima Kerai	Aga Khan University
<b>87</b> Medical costs of injuries during U.S. Army basic combat training	Maria Bulzacchelli	Johns Hopkins University
<b>88</b> Homicides in the City of Chicago, 2008-2016	Suzanne McLone	Illinois Violent Death Reporting System, Ann & Robert H. Lurie Children's Hospital of Chicago
<b>89</b> Following the trail of investments in public health research to trace racial health disparities	Shabbar Ranapurwala	University of North Carolina-Chapel Hill; Gillings School of Global Public Health; Department of Epidemiology
<b>90</b> Where does Florida's "Stand Your Ground" Law bite? Evidence from County level Characteristics	Benjamin Ukert	University of Pennsylvania
<b>91</b> Comparing novel to conventional methods for defining adolescents' environmental exposures using granular spatial data	Alison Culyba	The Children's Hospital of Philadelphia
<b>92</b> Epidemiology of Crime Perpetration Prior to Sustaining Firearm Injury	Ali Rowhani-Rahbar	University of Washington
<b>93</b> Loaded Handgun Carrying Among Adults in the United States: Results of a National Survey	Ali Rowhani-Rahbar	University of Washington
<b>94</b> Gunshot Wounds to the Head: The Epidemiology of Severe Pediatric Firearm-Related Traumatic Brain Injuries	Anthony Fabio	University of Pittsburgh
<b>95</b> Alternatives to gun policy?: a Bayesian analysis of county-level firearm mortality	Stephanie Teeple	University of Pennsylvania Department of Biostatistics and Epidemiology
<b>96</b> Firearms and Elections: A Review of the 2016 Candidates' Platforms to Inform Public Health Policy	Christen Rexing	Temple University
<b>97</b> Developing Strategies to Prevent Youth from Obtaining Illegal Firearms	Christen Rexing	Temple University
<b>98</b> A time-series study of firearm purchasing following mass shooting events in the U.S.	Gina Liu	University of Pennsylvania
<b>99</b> Caring Letters Follow-up Assessment Provides Reconnection to Care of At-risk Post-hospitalized Psychiatric Patients	Melody R. Cardona	VA Palo Alto Health Care System, Stanford University
