Warm-Ups: (~10 minutes)
Instructions for miro login (https://miro.com/app/dashboard/)

White board: Name, Institution, Program (MPH, PhD, etc.) Research Focus

White board: Use silly warm-up questions as practice for using miro white board
- Where are you joining from?
- What is your least favorite candy?
- What song is most strongly attached to a memory for you?
- If you could be any animal, what would you want to be?
- If you were natural or geographic feature (e.g., mountain, ocean, sand dune, waterfall, geyser, canyon, red woods, beach, plains, glacier, dessert) what would you be and why?
- What is your favorite scent?

Injury Prevention Scavenger Hunt: (~20 min)
Rotating Random Breakouts: 4 minutes each (introductions of name and institution in each room)
Each room you enter see if you overlap with someone who meets the following criterion
- Someone in the same time zone as you
- Someone whose research includes injury / violence amongst children/adolescents
- Someone whose research includes injury / violence amongst older adults
- Someone who uses mixed methods
- Someone who primarily uses geospatial methods
- Someone who has the same undergraduate field of study as you
- Someone whose favorite color is yellow
- Someone who can play an instrument
- Someone whose research includes injury / violence racial/ethnic disparities
- Someone whose research includes injury / violence geographic disparities
- Someone whose research includes injury / violence gender/sexuality disparities
- Someone whose research includes injury / violence in international/global contexts
- Someone who is left-handed
- Someone who speaks multiple languages
- Someone who codes in 3+ statistical languages

Then reconvene and ask for scores in the chat to announce the 'winner'

Half-Time Stretch: (~5 min)
Display the verbal and chat prompt series and invite reflection during a brief stretch break.

Series 1:
- *Verbal:* Max 2 (3 min each) Story about a research project dramatically changed (for the positive or negative) with the pandemic

- o *Via chat:* What was an Interview question that was strange or threw you for a loop at the time?

Series 2:
- o *Verbal:* Max 3 (2 min each) Story about your most (PG-rated) unfortunate professional encounter
- o *Via chat:* If you could gift the general public access to one class you've taken, what would it be?

Series 3:
- o *Verbal:* Max 3 (2 min each) Story about an instance where you felt super supported by a mentor / professional peer, etc.
- o *Via chat:* If someone were to visit your community, where would you send them for food/beverage and what would you suggest they order?

Series 4:
- o *Verbal:* Max 2 (3 min each) Serendipitous story about how you entered the injury/violence research space.
- o *Via chat:* What piece of professional advice would you give yourself prior to entering your current program?
